At Australian Executor Trustees (AET), we are one of Australia's largest and most experienced non-government providers of professional trustee services, with more than \$32 billion in funds under supervision.*

For more than 130 years, we have been helping Australians build, manage, protect and transfer their wealth to give them peace of mind about their financial future.

Today, we offer specialist estate and trustee services through our two core businesses – Private Client Services and Superannuation.

Our comprehensive range of services include:

- Wills and estate planning
- executor services
- trustee services
- philanthropic services
- self-managed superannuation solutions.

We partner with professional advisers such as financial advisers, accountants and lawyers to give their clients access to specialist trustee services that can be tailored to meet the clients' circumstances.

Part of the IOOF group

We are part of IOOF Holdings Limited (IOOF), a leading provider of wealth
